Assistant Director, ORE

25X1A

Letter of [REDACTED]

25X1A

[REDACTED] It will be nice if we can collaborate with Dr. [REDACTED] who is a capital fellow and whose assistance, I am sure, would prove very useful.

As you will note from the enclosed copy of memorandum, I have taken the liberty of referring the pertinent portion of his letter to Colonel [REDACTED] 25X1A

His recommendation of Dr. [REDACTED] shakes me 25X1A a little in my apprehension but not enough, I think, to warrant a change in my original prejudice.
